Dear Chairman Pai,

I write to support the Comments of Brattleboro Community Television, Inc. (File ID 1113560010350) and to disapprove of the proposals and tentative conclusions set forth in the FCC's September 25 Further Notice of Proposed Rule Making in *Implementation of Section 621(a)(1) of the Cable Communications Policy Act of 1984 as Amended by the Cable Television Consumer Protection and Competition Act of 1992*, MB Docket 05-311.

Brattleboro Community Television (BCTV) is a vital part of our community; many Brattleboro residents depend on BCTV for its dedicated filming, broadcasting and archiving of the many meetings of the Select Board, the School Boards, and other town-related events. BCTV films, broadcasts and archives arts events and community celebrations. Our whole community would suffer if BCTV shut down because of lack of public funding.

They also film the weekly services of our Guilford (VT) Community Church and make them available online, which is a great service to members of the community who cannot make it to the services.

Sincerely,

A handwritten signature in black ink, reading "Peter Amidon". The signature is fluid and cursive, with the first name "Peter" and last name "Amidon" clearly distinguishable.
